ST BTH SLIM SURAT

For safety reasons, we advise you to fix this item to the wall if young children or boisterous dogs are liable to bang into it. Never allow children to climb on furniture. To ensure that the unit remains stable, we recommend to use the Anti-tip part C and wall fittings shown to fix it to the wall. Fittings to attach your Shelf to the wall are supplied. But different wall types require fittings that are suitable for your wall type. If you are unsure for the correct type of fitting for your wall, please contact your local specialised hardware store for information on suitable fittings.
